PRELIMINARY AMENDMENT

Sir:

Please enter the following Preliminary Amendment for the above-identified U.S.
Patent Application before first examination and action.

In the Specification:

Please delete the 1st full paragraph on Page 1 of the specification and replace it
with the following paragraph:

PRIORITY APPLICATION

This application claims priority to co-pending US Provisional Application No.
60/228,244, filed August 25, 2000, entitled, "Wireless Communications Methods and
Systems Using Remote, Self-Contained Communication Devices," which is fully
incorporated herein by reference.

09/752,307

Remarks

The US Provisional Application entitled, "Wireless Communications Methods and Systems Using Remote, Self-Contained Communications Devices," filed on August 25, 2000, was cited using an incorrect US Provisional Application Number. The correct US Provisional Application Number is 60/228,244.

Applicant has attached a copy of the Assignment and the Declaration and both claim priority to U.S. Provisional Application No. 60/228,244.

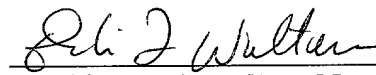

Also, attached hereto is a marked-up version of the changes made to the specification by the current preliminary amendment. The attached page is captioned **"Version with markings to show changes made."**

Conclusion

The Examiner is invited to contact the undersigned at 336.607.7402 to discuss any matter relating to this application.

Respectfully submitted,

Date: APRIL 11, 2001
